

WHAT'S NEW

A SELECTION OF OUR NEW RANGES

CLARITY FURNITURE

Clarity is the latest range from Zaneti, bringing a timeless appeal of a shaker designed door with many handle options to blend in modern and traditional settings. Available in 5 Super Matt finishes.

From page 12

MATT BLACK BASINS

Matt black ceramic basins are now available for the Zaneti Colour furniture range. The stunning basins are available in 600mm, 800mm and 1200mm wide. See the full Colour range for details.

From page 26

ASPECT 8mm ENCLOSURES

The ASPECT 8mm Shower Door Range offers a stunning focal point to any bathroom. Standing at an impressive 2 metre height, this range fuses function and contemporary design. Available in numerous shapes and sizes, the ASPECT Range will allow you to create a luxurious showering space for you to unwind and indulge yourself in.

From page 124

BRUSHED BRASS

Brushed Brass is becoming more popular so we've added more showering options including concealed valves, fixed heads & slide rail kits. See our extended Brushed Brass showering range.

With our wide variety of WC pans and basins there's something for every room - check our glossary opposite to find out what's best for you and browse our extensive range of stunning styles.

Technical Information available - see page 203-206

Guide to WCs

Which WC Pan is right for you? See our options below.

Close Coupled (C/C)

A standard Close Coupled WC, the cistern is visible for ease of access, and mounted directly to the pan.

Close to Wall

Similar to a C/C WC, but the pan extends back to fit flush with the wall so that all pipework is hidden from view.

Comfort Height

A C/C or BTW pan with a raised height, more comfortable for those who are taller or have mobility issues.

Back to Wall (BTW)

The cistern and pipework are hidden within the wall or a WC unit - requires a separate concealed cistern.

Wall Hung

Mounted to the wall with pipework hidden inside - requires a concealed cistern or an in wall frame.

Guide to Basins

Looking for a vanity unit with an integrated basin? See our furniture range from page 4.

Pedestal

A standard basin resting atop a full pedestal which supports the basin and conceals the pipework.

Semi Pedestal

A wall mounted basin taking advantage of a smaller pedestal to conceal pipework.

Semi Recess

A low profile basin mounted into a worktop with the pipework concealed inside a vanity unit.

Countertop

A standalone basin which sits on a worktop. - pair with a hi rise basin mixer (see from page 139) for a stylish solution.

All our ranges feature soft close seats, with a quick release mechanism for easy removal for cleaning. Certain ranges also feature a choice of slim or wrap seats, for more customisation in your suite

As the name suggests, Rimless WCs lack the traditional rim, making them easier to keep clean, as well as saving water via direct flush technology. They look sleek and stylish too! Look for this symbol for rimless pans.

QUANTUM

SINGLE & DOUBLE ENDED

- Carron Quantum baths feature a modern square, deep design, providing an elegant look and feel without compromising on strength and comfort.
- A wide range of sizes across our single and double ended variants.
- Unique Carronite finish provides increased rigidity and heat insulation for a more comfortable bathing experience.

PIVOT DOOR ENCLOSURES

Maximise your space

The pivot mechanism mounted on the top and bottom of the door allows the door to swing open in a compact arc, perfect for corners and other small spaces.

Chrome

1850mm High

■ Pivot Door with Side Panel

- 1850mm high, 6mm thick toughened safety glass.
- Reversible doors can be fitted right or left handed.
- Generous wall adjustment allows the frame to fit against out of true walls.

Versatile Design

Fit a standalone pivoting door in an alcove for a comfortable space saving shower or add a frameless side panel for an elegant enclosure.

3-IN-1

BOILING KITCHEN TAPS

- 3-in-1 Boiling Water Mixer Tap available in stunning Chrome or Matt Black finish
- Supplies filtered boiled water up to 98°C, with standard hot/cold mixer lever on the right, boiling water lever on the left.
- Safe operation with spring locked lever and central channel for boiling water, to ensure spout remains cool.

Supplied with:

- Chrome or Black Kitchen Tap
- 2.4 litre Insulated Tank
- Carbon Filter (removes impurities)

We recommend that you change your filter every 4-6 months or 2000 litres to maintain effective performance.

LADDER

STRAIGHT RAILS

22mm Gloss White

The gloss white finish provides a greater heat output than matching chrome rails.

25mm Chrome

25mm rails provide a greater heat output than the equivalent 22mm rail (around 15%) depending on dimensions.

Terms & Conditions

Guarantee

All product guarantees are subject to the following terms & conditions: The product has been fitted/installed in accordance with the appropriate fitting instructions, local by-laws and general good plumbing practice. The guarantee will become invalid if the product has not been maintained and cared for in accordance with the instructions (including regular misuse, neglect, wilful or accidental damage). The guarantees on all products are from the date of supply unless otherwise stated. The guarantee only covers the material structure and not serviceable moving parts that perish due to wear and tear. In the event of the guarantee claim, the liability of the seller is limited to the product supplied and does not extend to consequential loss or damage arising from defective product. The guarantee applies to the original purchaser only and is not transferable. This guarantee does not affect your statutory rights and is applicable in the UK. All products installed in a commercial environment carry a 12 month guarantee.

Inspection

All products must be inspected prior to installation and faulty or damaged goods must be reported within 24 hours of receipt of delivery. In the event that goods are delivered incorrectly or damaged, it is the responsibility of the customer to ensure sufficient time is allowed for a replacement item to be sent.

Batches

Please be aware that the following products are manufactured in batches: PVC Wall Panels, Flooring & PVC Ceiling Panels. Whilst there will be minimal shading difference there is no guarantee it will be identical. Batches are there to guarantee continuity.

Returns

Goods not used and still held as current stock can be returned to us within 28 days of purchase, provided they are in their original packaging, unused and undamaged with a copy of the original invoice. A restocking charge may be applicable.

Carron baths placed to order are subject to a 20% re-stocking charge as per Carron Bathrooms T & C's.

Disclaimer

The specifications and prices contained within this brochure are for information purposes only and, as our products are continually updated, are subject to change without prior notice. We cannot be held responsible for the use of incorrect dimensions shown for the first fix without the actual products on site. All images shown are representative and are for illustrative purposes only. On occasions the manufacturer may make minor changes to the design of a product, due to this the item/items you may receive may have slight differences to the picture displayed in the brochure.
